To search for specific names, type keywords into the search bar in your PDF reader. If a keyword search doesn't turn up expected results, it is recommended that you also scroll down into the alphabetical listings to search for the name, as the text-recognition software is not perfect.

The table of contents below can also give you an idea of where to look within the document for other kinds of information listed in the directory, like street guides, government listings, and advertisement indices. Note that the PDF page number and the original directory page numbers are different, because the color-printed advertisement pages in the directories were not numbered.

Table of Contents:

FOR LIVERPOOL.

[For particulars see inside back cover.]

I AM GOING TO LEAVE FOR THE COUNTRY SOON; BUT, I REALLY DON'T KNOW WHAT TO DO WITH MY FURNITURE.—WHY! MY DEAR, SEND IT TO TAGGART'S STORAGE WAREHOUSES.

CELEBRATED PIANIST TO HER FRIEND: WHAT! PUZZLES ME IS WHAT TO DO WITH MY GRAND PIANO WHILST I AM AWAY.— SEND IT TO TAGGART'S, MUSICAL INSTRUMENTS ARE PLACED IN AIR TIGHT CASES THERE.

YES, MY DEAR FELLOW, WE ARE ALL GOING TO EUROPE FOR TWO YEARS.— INDEED! WHAT ARE YOU GOING TO DO WITH YOUR HOUSEHOLD GOODS, SELL THEM?— NOT IN THE LEAST, SEND THEM TO TAGGART'S WHO'LL RETURN THEM IN TWO YEARS, AS GOOD AS NEW.

New York.

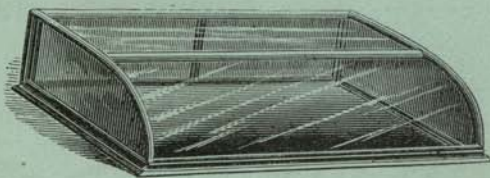

LOOK AT THAT TURN OUT OF TAGGART'S, HOW SUBSTANTIAL, ROOMY, SOLID AND SECURE IT IS! HOW POWERFUL THOSE MAGNIFICENT HORSES! HOW STEADY AND SOBER THEIR GAIT!— NOW, LOOK AT YONDER TURN OUT OF A RIVAL HOUSE; HOW THAT FELLOW FLOGGES THOSE POOR SCraggy HACKS; EVERYTHING IS JUMBLING ON BOARD, EVERYTHING IS LOOSE, UNSUBSTANTIAL UNSETTLED AND EXPOSED! I'LL VENTURE TO SAY THAT THAT TRUCK WILL NOT GO A HUNDRED YARDS FARTHER WITHOUT BUMPING AGAINST SOMETHING OR OTHER.

WHERE CAN I SAFELY LEAVE MY VALUABLE COLLECTION OF PICTURES AND ARTICLES OF VERTU WHILST I AM AWAY?— AT TAGGART'S, MY DEAR FRIEND, EVERYTHING IS FIRE PROOF, AIR TIGHT AND BURGLAR PROOF.

FIRST ACTRESS TO SECOND ACTRESS: MY DEAR, I SENT ALL MY THEATRICAL PROPERTIES TO TAGGART'S; WHEN I NEED ANY OF THEM, HE WILL FORWARD THEM TO WHATEVER PLACE I MAY FIND MYSELF IN AT THE TIME.

These Champagnes are entirely free from the Catawba flavor found in all New York State, Missouri, and Ohio Wines, and possess the delicate grape flavors found only in the finer varieties of grapes of the milder climates of California and France. The Champagnes of I. LANDSBERGER & CO. were awarded at the American Institute Fair, last Fall, the

PREFACE.

"Is Brooklyn advancing, or in a state of retrogression, during these times of business prostration?" is undoubtedly the question being revolved in the minds of many who have at heart our city's growth and prosperity.

We have endeavored to answer that question by compiling statistics from 1860 to date, showing our population each five years as per census report; giving in connection therewith the number of names in the Directory and the ratio the former bears to the latter. From this average ratio of eighteen years, we show our population each succeeding year, and it will be seen that Brooklyn has steadily *increased* in population, notwithstanding the serious depression of business.

DATE.	Population per Census.	No. Names in Directory.	Ratio of Census Population to Names in Directory.	Relative Increase in Periods of Five Years.	
				Census.	Directory.
1860.	266,661	51,192	5 $\frac{1}{2}$		
1865.	296,378	60,864	4 $\frac{7}{8}$	29,717	9,672
1870.	396,099	85,536	4 $\frac{3}{8}$	99,721	24,672
1875.	482,493	114,724	4 $\frac{1}{4}$	86,394	29,188

(Average ratio of Population to names in Directory. 4 $\frac{7}{16}$.)

	No. of Names in Directory.	Population.	Increase over previous Year.	
			Names in Directory.	Population.
1876.	117,624	556,362	2,900	13,717
1877.	118,320	559,654	696	3,292
1878.	122,605	579,921	4,285	20,267

The above data is the most reliable to be obtained, as, during the years compared, the Directory has been published by the same parties, who have pursued the same general system of canvassing and compiling—adding such improvements each year as experience suggested.

A glance at the decrease of ratio each year, shows a nearer approximation to perfection in our canvass. Indeed, a Directory publisher of long experience has the advantage in obtaining full and correct returns. His work will not be purchased unless it is reliable, and from the fact of his making the canvass *every year* (instead of *every ten*), and comparing the new returns with the previous year, we are confident that the Directory is the most complete.

Had we not said so much in recent years of the Bridge and Rapid Transit, we should feel very much like having a word now. Suffice it to add that we rejoice at the steady and rapid completion of the former; and the steam-whistle of the locomotive on Atlantic avenue is, truly, music to our ears, inasmuch as it means "Rapid Transit," enunciated more clearly than could be done by the Phonograph. But this is not an age for *half-way* measures. *Steam must go to the ferries*; by elevated or underground roads, which?—can best be decided by our City Fathers, after consulting our most competent engineers.

Last year we published our City and Business Directories in separate volumes for the greater convenience of the public generally, and sold the former for \$4.00, which failed to remunerate us, and to prevent a recurrence of similar loss, are obliged to increase the price of the present volume to \$4.50.

BRONCHINE.

**Specific for Bronchitis, Coughs, Cold in
the Head or Chest, Affections of
the Throat and Lungs, and
Dyspepsia.**

“BRONCHINE” acts by stimulating the natural processes through which CAPILLARY CONGESTIONS are relieved, and restores in a purely physiological way the congested bronchial mucous membrane. It has besides the rare quality of aiding the digestive organs (always more or less affected in bronchial and pulmonary troubles) instead of weakening and otherwise disturbing them, as is the case with most cough medicines. “BRONCHINE,” while aiding nature in the most direct, thorough, and philosophical way, is always perfectly INNOCUOUS.

Prepared by the **RELIEF MANUFACTURING CO.,**
46 Beaver Street, New York.

REVEREND MORGAN DIX, D.D., RECTOR OF TRINITY PARISH, NEW YORK.

7 CHURCH STREET, October 26th, 1876.

I have pleasure in permitting you to add my name to the long list of those who, from their own experience, testify to the merits of your now celebrated preparation known as “BRONCHINE.” The cold must be a particularly obstinate and vicious one which does not readily yield to its potent persuasions; and I should deem myself unjust were I to withhold the acknowledgment of the good turn it has served me on many occasions.

I am, very truly yours,

MORGAN DIX.

MESSRS. CHURCH & SPRAGUE,

MERIDEN, CONN., November 28th, 1876.

Our Mr. Sprague has great faith in your “BRONCHINE,” as it has cured a friend of his who was very low, as we all supposed with “CONSUMPTION,” and had been given up by her physician; also for the benefit to his wife.

CHURCH & SPRAGUE.

CYRUS W. FIELD, Esq.

GRAMERCY PARK, NEW YORK, October 11th, 1877.

I have derived great benefit from the use of your remedy “BRONCHINE,” and recommend it with pleasure.

CYRUS W. FIELD.

ECLECTIC MEDICAL DISPENSARY.

No. 1 LIVINGSTON PLACE, NEW YORK, January 21st, 1878.

The five gallons of “BRONCHINE” which you were so kind as to donate to our Dispensary, was all used in the treatment of PULMONARY diseases the present winter. We find that the “BRONCHINE” produced all the beneficial effects claimed by you for the same. It acts as a sedative and overcomes the irritation, which precedes the cough, so prevalent this winter.

Yours respectfully,

EUGENE FINCH, Secretary.

The "EAGLE" has a
LARGER CIRCULATION THAN ANY OTHER EVENING PAPER
PUBLISHED IN THE UNITED STATES.

Brooklyn has a population of over **500,000**, and Long Island of nearly **three-quarters of a million**. The "EAGLE" was established when Brooklyn was a village. Advertisers who desire to reach this compact population can do so only through its columns. As advertising is worth so much per 1,000 copies circulated, a notice in this paper has four times as much circulation for the same money as is given by any other journal.

THE
Brooklyn Daily Times

has been published since 1848. Its career began when Williamsburgh was little more than a village. It has literally "grown with the growth and strengthened with the strength" of this part of the city, having been closely identified for a quarter of a century with the history of Brooklyn, and particularly with every local enterprise. It has recently been very materially enlarged and improved, and is one of the best two cent papers in the country. Its proprietors aim to make it not only spicy as a newspaper, but they diligently aim to make it unexceptionable as a family paper. It ought to be taken by every resident of this city.

Leave your orders at the office, Nos. 24 and 26 Broadway, or with the nearest newsdealer. Only 12 cents a week.
